

Our Response to CoronaVirus

With the advent of COVID-19, we are enhancing the cleaning and disinfecting regimens of our transit.

COMET uses a regularly scheduled cleaning process:

- The high-touch areas (handrails, seat rails, and fareboxes) on buses are wiped down each day and disinfected several times each week
- Floors are vacuumed, mopped, seats are cleaned, and walls are wiped down regularly

We want your ride on COMET to be safe, clean, and enjoyable, but please do your part:

- Stay home when you are sick or if you have a fever
- Wash your hands with soap and water for at least 20 seconds
- Avoid touching your eyes, nose, and mouth
- Cover your cough or sneeze with your sleeve or elbow
- Avoid close contact with people that are sick

For more information on COVID-19 visit:

- The U.S. Center for Disease Control at www.CDC.gov
- The Arizona Department of Health Services at www.azdhs.gov
